Attorney Docket No. PF030101	:	

This is a decision on the petition under 37 CFR 1.137(b), filed April 14, 2010, to revive the above-identified application.

The petition is **granted**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed September 14, 2009, which set a shortened statutory period for reply of three (3) months. An extension of time under the provisions of 37 CFR 1.136(a) was not obtained. Accordingly, the above-identified application became abandoned on December 15, 2009. A Notice of Abandonment was mailed on April 7, 2010.

The instant petition requests revival of the application.

A grantable petition under 37 CFR 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed,
- (2) The petition fee,
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, and
- (4) A terminal disclaimer and fee if the application was filed on or before June 8, 1995 or if the application is a design application.

Petitioner has submitted a reply to the outstanding Office action in the form of an amendment. Petitioner has submitted the required petition fee of \$1,620. Petitioner has stated the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b). Therefore, the petition is granted and the application is revived.

Technology Center Art Unit 2427 will be informed of the instant decision and the application will be further examined in due course.
